Hi Niki

I want to thank you again for the rental of the house. We very much enjoyed ourselves and hope to do it again in the future. I was just wondering if we will be getting our damage deposit back. Could you just let me know when you find out. Thanks  
Lori

*"Reviewing: [6 BED "Calla Lily" VILLA-GAMES ROOM & POOL/SPA](#) (Property Ref: 15702)  
We may never stay in a hotel again! The home was enormous and beautifully furnished. On rainy days/afternoons - when we couldn't frolic in the private, crystal clear pool - a hotel would've been a nightmare with 4 boys aged 7 thru 11, but the game room (with pool, foosball, air hockey and PS2) afforded lots of diversion. The villa was close to Disney type action if you're into that, but still tucked into beautiful wooded country that's just far enough to feel like you're getting away from the rat race. It was very close to Kissimee's Old Town which we highly recommend for family fun for all ages. You can be certain we will be renting from [rentyourselfavilla.com](#) again!"*

Hi Niki

Just returned from holiday yesterday, had a brilliant time! The villa was absolutely fantastic, so spacious and comfortable, spoke to Julia who let us stay an extra hour on day of departure, we also informed her of problem with the oven which wouldn't either light or heat up enough, also we broke a couple of glasses which we replaced while there. So no major problems in all, i will recommend this villa to anyone....the pool maintenance man was really good, cleaning it and advising the kids when not to use it etc.  
So, just like to say thanks very much and hope we can book again in the near future.  
Julie

Hello Niki

We have just arrived back from a great two weeks in the villa at Calla Lily Cove. My family and I would like to thank you for the use of the villa. The weather was ideal throughout and we all enjoyed the space and location of the villa. The early morning swim in the pool as the sun was coming up was a favourite.  
I did my best to land one of the Bass I spotted swimming in the Lake. I am sure I just needed another week but it is the story of the one that got away. I also managed to avoid an encounter with any alligators.  
Thanks again

Hi Niki, it seems so long ago since we left. Hope everything was left in order, and thank you again for the use of the Willow. We had a fantastic time. We now know whom to call when we go again.  
Regards, Cesar and family

Thank you very much Niki! We really enjoyed our stay at the Calla Lilly and hope to see you again next year!

Hi

The Villa was great, the best one so far (we have rented two villas before in Orlando) we had a great time, but two weeks is to short for a vacation in Orlando (we could have spent two weeks in the villa only)  
And thank you for the very fast deposit return

Regards  
Rickard Jalmesjo

Dearest Niki:

Everything was wonderful at your place in Florida. We do hope to spend time there again soon. I hope that you travels/work are enjoyable. I've spent time in France and do love it this time of year.

Thank you for your prompt response and kindness.

Hi Niki,

We had a lovely time in both villas. Thanks very much, they were wonderful places to stay in for 2 weeks.

Just to let you know, you may find a couple of short tumblers left in your neighbour's villa from the last night we were there and didn't realise until we had got to the airport that we didn't take the glasses back over to the 6 bed villa on the Thursday night! They are the ones with a swirl pattern to them.

Cheers  
Paul

Hi Niki:

Many thanks to all your help in making our stay at the Calla Lily enjoyable and a vacation we will not soon forget. We had a wonderful time at your villa and enjoyed the amenities greatly. I would recommend your rentals to anyone looking for a getaway in the Orlando area.

Thanks
