CALLA LILY VILLA, FLORIDA GUESTS COMMENTS 2009

Niki

On behalf of my family and friends that stayed in your fabulous home in Kissimmee, Thank you!

Most people already know that Orlando and its attractions provide the mechanics of a wonderful holiday, however I believe the accommodation people choose to stay in has an equally vital role in ensuring this. Calla Lily, Calla Lily Cove is one of those places some of your potential guests should consider.

Your home offers and very warm, comfortable, clean and welcoming feeling. At times many of your guests including me could be forgive for thinking it was there own place in the sun. There is plenty to do for everyone, a wonderful pool and hot tub to relax in, the gaming facilities not to mention the wildlife that cares to walk or swim on by.

The location for Calla Lily is perfect, close enough to the airports, the attractions and highways to the beaches. Both the 7Eleven and the near by Wal-Mart are close enough to never miss out on the essentials.

This holiday was a special occasion for my daughters 18th Birthday and it was perfect.

I could write on and on, but so as not to bore you I simply wish to say the I have spent 12 years in the travel and airline industry and have travelled to numerous destinations staying in most forms of accommodation and I cannot fault our holiday to Florida what so ever. Everything from enquiry stage to completion and return of deposit was seamless, prompt and hassle free.

We will be returning to Florida in the future and this will certainly be to Calla Lily. In the meantime I will have no hesitation in recommending colleagues and friends to come and stay at your place.

I'll be in touch soon to look at a break to your house in Turkey.

Thank you once again.

Kind Regards

Craig Easterbrook (APRIL-MAY 2009)

Sandy (JUNE/JULY 2009)

thank you so much i knew it would take a few weeks but I was going to email you but I have been in the hospital. I am better. We did enjoy our stay and have recommended it to all our friends and will continue to. Thanks so much again for your kindness.

Hi Nikki

The villa was absolutely **EVERYTHING** that we hoped it would be.

The only problem was that the rest of the family (10 of us all together including grandchildren) **ALL** wanted our “master” bedroom with the **FABULOUS** en suite bathroom!!

Whilst sitting around the pool - the lake out the back made a nice restful scene both early morning and late evening (after Disney etc) where we could all relax with a drink and chat about the fabulous time we were having.

Also what made it extra special was the family of 4 “pet ducks” that waddled around out the back and came to be fed by the kids each morning. Two of these were sitting on eggs in the bushes outside and 11 baby ducklings actually hatched 3 days before we left for home. You can imagine the excitement this caused amongst our 3 young grandchildren especially when the mother took them down to the lake!

All in all Niki – The **BEST** holiday we have ever had and can I thank you for all the help and advice you gave us.

We have recommended your villa to several friends who are looking to come out next year – so hopefully there will be some business coming your way

Many, Many thanks

Hi Niki

Just a note to say a big thank you for the use of your beautiful villa, it far exceeded our expectations!! We all had a wonderful holiday and hope to return in the near future.

Kind regards

Hi Niki,

The wonderful holiday at Calla Lily is rapidly becoming a distant memory since our return.

Best Regards

Dave (SEPT 2009)

your house is lovely, spacious, the pool is big and the view of the lake is wonderful. Your rooms and decor is nice and it's a good idea to have a game area (OCT 2009)

Hi Niki

Thanks for sending the security deposit. My family and I had a great time in Florida and this was helped by your villa. It was just as your web site described. We could not find anything wrong with your villa or your management company. The only thing I would say is that we were not told the number for the safe.

Thanks Tracey. (NOV 2009)
