## CALLA LILY VILLA, FLORIDA GUESTS COMMENTS 2010 - so far...

Thank you so much Niki! We had a great time in your house, we learned a lot at the course and we became a great group!

Let's see if your house can shelter us again some other time...

With the kindest regards,  
Ineke (JAN 2010)

We still had a nice stay! It is Florida after all. Best of luck with the new system. Thank you for another lovely stay and we will let you know again when we are heading to Florida!

Hi Niki,

We had a great vacation in Florida, although the weather was the pits! We loved the house, it had great space. We were able to enjoy the pool and hot tub from Thursday through Saturday. My husband did get brave on Wednesday and swim, but the rest of us waited for the pool to heat!

Thanks so much for all of the correspondence, and the use of the lovely home.

Sincerely yours, Belva (FEB 2010)

Dear Niki

*I feel I must drop you a brief line to let you know how much I and the other nine members of my family enjoyed our stay at your beautiful villa.*

*Although the weather was not to the usual Florida standard it was not sufficiently inclement to prevent us from enjoying the pool and visiting the many attractions of the area. From our three year old grandson to his septuagenarian grandparents we all had a great time and I am confident there will be many return visits to the 'Sunshine State'.*

*It is very quiet and peaceful at Calla Lily with a perfect relaxing atmosphere which is increased by its equipment and furnishings. Thank you for allowing us to use the villa for such a memorable holiday.*

With best wishes

**THE ASH CLOUD CAUSED A FEW PROBLEMS FOR OUR GUESTS DURING APRIL**

Niki,

thanks again for letting us use your villa.

Fantastic fantastic fantastic! Superb villa and location. There were 8 of us staying at Calla Lilly in Florida, we rented it for 2 weeks and the holiday just wasn't long enough!! The Villa was exceptionally spacious giving everybody plenty of room to spread out. Pool was a good size and it was south facing having the sun all day long. There is also a shaded part as well for those who don't like the sun so the place suited everybody's needs. The plot is set on a wonderful lake in a prime location ideal for wildlife watching.

Eagles, cranes, vultures were regular visitors and there were also sea turtles in the lake. The location of the villa was ideal for the parks but also far enough away from the hustle and bustle at night to be able to sit and relax by the peaceful tranquillity of the lake. Fishing on the lake was also great fun – Large Mouth Bass seem to be the main occupants – but watch out for the Gator if you catch one!! I will be recommending this villa to friends and family and hope to return back sooner rather than later!

Hi Niki

Just a quick note to say thankyou so much for letting us use your lovely home in Florida. We had such a great time and would definitely return in the future, we would also recommend it to other people. Having use of a bbq was a big plus!

Thanks again so much.

Cheers, Damian. **(MAY 2010)**
