Just wanted to drop you a line to Thank you so very much for all your help, in making us have one of the best holidays we have ever have. Your villa is fantastic, The pool area, The views are all second to none. The children had a wonderful time, all you said about the place was so very true.

Villa is really great - all your needs are catered for. Lovely pool & garden area was superb. Best to Turkey lots of times and this will be our last trip!! We will be back!!

Excellent, brilliant holiday! Villa is amazing - people are so helpful and friendly. This is our first trip and we will be back! Recommend 12 Island boat trip - Excellent day out. THANK YOU!! xx

Thank you very much we had a great holiday. The villa was superb with all the necessary items that we could possibly need. It was clean and well laid out with plenty of bathrooms and toilets. Communication with you has been very good and we can all confidently say we had no problems whatsoever except for the weather which was extremely hot – especially for our parents. The complex was quiet and yet close to all amenities. The shared pool is large and cleaned regularly. Everyone was friendly. The garden at the side of the property, which sees the sun all day and is quiet and secluded, was put to good use by those of us that could sun bath (wife) in the searing heat and of great benefit as many of the other properties don't appear to have as much outdoor space. We would happily return to your villa as it also pleased my mother-in-law who can be very fussy about cleanliness, but probably not at that time of year as we did not appreciate how hot it could be in Turkey. Hi Niki
Thank you soooooo much it was a fantastic holiday and yes we are hoping to book for next year around the same time. I hope i left everything in order for the cleaners (i really worry about things like that). The only down fall was our flight was cancelled on the way back and we had to get a coach to another airport (weather conditions)
Thank you so much we enjoyed every minute
