

Dear Niki and Rob, just a brief note to say how much we enjoyed our 2 weeks at your beautiful villa in Calis. Your 3 bed, air conditioned villa was immaculate, the location superb and the facilities second to none. We fell in love with the villa, the area and the warmth of the Turkish people - having the Sunday market and the beach and restaurants all within easy walking distance was a bonus and the sunsets were spectacular especially from SATS restaurant. We saved lots of things to do for our next visit so thank you again for a brilliant base for a wonderful holiday. Best wishes. Hilary and John Dawson.

Hi Niki

Received the cheque today thanks.

We had a lovely holiday the villa was excellent, had everything we needed and Leon was very helpful even drove us to Olu-Deniz and collected us later!

Weather was HOT!! I think May or September next time.

Thanks for everything.

Heather

Hi Niki,

Just a note to say we thoroughly enjoyed our stay in your villa, it was very comfortable and we will recommend it to family and friends. We were surprised at how quiet the complex was for August and enjoyed the pool to ourselves on many occasions.

Many thanks for sorting out the sun beds we did not encounter any problems during our stay - only the two hour delay on the way home (which was a shame we would have rather spent it in Calis not the airport!).

We found the Turkish people very friendly especially the Dolmus driver who did a detour for us when we got on the wrong bus on the way back from Fethiye one evening (we took the bus through the back roads instead of the costal route).

Jane recommended the Surf Cafe for our last day and this proved to be a lovely place to relax (please thank her on our behalf).

Many thanks

Sally, Ian , Zoe, Hayley & Naomi.

Hi Niki,

Just thought I would drop you a line from wet Yorkshire, got back from sunny climates on Monday from your well laid out and positioned villa in turkey. The villa is well placed for walking and catching the Dolmus. The holiday was so good thinking of going again next year

Kind regards

Steve and Michele

The review:

*We enjoyed our stay at Lissa links in august. Having stayed in Calis several times before we knew the location of the villa and was happy with it. It had plenty space for our family and was spotlessly clean when we arrived. If there was any problems it was very easy to contact someone and get it rectified. We would probably return to Lissa links if we went to Calis again.*

Niki

Many thanks for letting us use your villa for our holiday, once again we had a great time everything living up to our expectations.

Hope everything was OK when you arrived last night and you enjoy your break.

Regards

Graham
