

Hi Niki

We have just returned from 4 weeks holiday at your villa in Calis. We had a superb holiday and wanted to let you know that the villa was fantastic, as is the complex. Everything we needed was supplied as your write up describes and it certainly felt like a 'home from home'.

I wouldn't hesitate in recommending a stay at 15 Lissa Links to any future clients. Hopefully we will be returning again.

Thanks Again

Some of our previous comments...

*Dear Niki and Rob, just a brief note to say how much we enjoyed our 2 weeks at your beautiful villa in Calis. Your 3 bed, air conditioned villa was immaculate, the location superb and the facilities second to none. We fell in love with the villa, the area and the warmth of the Turkish people - having the Sunday market and the beach and restaurants all within easy walking distance was a bonus and the sunsets were spectacular especially from SATS restaurant. We saved lots of things to do for our next visit so thank you again for a brilliant base for a wonderful holiday. Best wishes. Hilary and John Dawson.*

*Hi Niki,*

*Just a note to say we thoroughly enjoyed our stay in your villa, it was very comfortable and we will recommend it to family and friends. We were surprised at how quiet the complex was for August and enjoyed the pool to ourselves on many occasions.*

*Hi Niki,*

*Just thought I would drop you a line from wet Yorkshire, got back from sunny climates on Monday from your well laid out and positioned villa in turkey. The villa is well placed for walking and catching the Dolmus. The holiday was so good thinking of going again next year*

*Kind regards*
